

## How do I add a Calendar Item?

Omar S. - 2021-08-13 - Events & Calendar

Our new **Calendar Items** module allows you place notes or messages on the calendar and event list page without the need to create an event. Calendar Items also lets you create recurring or repeating notes or messages. Which is perfect for weekly meetings. Please follow the steps below, to learn how to add a Calendar Item:

1. Go to your Club's website and click **Member Login** near the top right.
2. After you have logged in, click **Member Area** near the top right.
3. On the grey menu bar near the top click **Events**.
4. On the blue menu bar click **Calendar Items (Recurring)**.
5. This displays the Calendar Items page. From here you can view the **Calendar**, view a **List** of Calendar Items, and **Add Calendar Items**.
