How do I add a member to a District Committee?

Zach W. - 2021-04-19 - Committees

Once you've created a District committee, you'll need to assign some members to it, to take on the tasks for the committee.

1. To add a member to a District committee, go to your District webpage and click on the **Login** link at the top right of the page. Then, enter your login details on the page that appears.
2. You are now logged in. To access the District Administration page, click on **Member Area** on the top right.
3. You are now on the **District Administration** page. To get to the District committees, click on the **Organization** tab on the grey menu bar.
4. Next, click on the **District Committees** link on the blue menu bar.
5. This brings you to the **District Committees** page, where you can view, edit or delete existing committees, or create a new one. To learn how to create a new committee please read the article called [How to Create a District Committee](#).
