When you recruit a new member, or discover an active member is missing from your database, you can use ClubRunner to add a new member to your **Member List**. This guide covers both our new Add Member form, and our Classic Add member form.

1. To access the **Member List** feature, you must go to your Club homepage and log in. Then, click on **Member Area** near the top right of the page.
2. Along the top of the screen you will see several tabs. Click on the **Membership** tab.
3. Now, click on **Member Lists**.
4. You are now on the Active Members List page, where you can browse a list of all currently active members.
