How do I add an attachment to an email?

Michael C. - 2021-12-20 - Communication

You can attach images or documents to emails you send with ClubRunner's **Email Message Center**. This is useful for sharing club documents with members and non-members alike.

Note: The total size of the attachments cannot exceed 6 MB.

1. To add an attachment, you must first log in and compose an email. To do so, refer to the steps outline in [this article](#). Your link will open in a new window.
2. Compose your email as usual in the relevant fields.

Step 2:

Enter your email subject and message.

The screenshot shows the email composition interface. At the top, there is a toolbar with various icons for editing, undo, redo, and inserting elements like links and images. Below the toolbar, there are dropdown menus for font style (Normal), font, and size. The main text area contains the following content:

Dear \$NICK_NAME\$ \$LAST_NAME\$,

Attached is a map to our temporary meeting venue, at the old town library. We will be meeting here until February, as the Memorial Hall is undergoing renovations.
