How do I add or change a club executive / director as a district officer?

Mickey D. - 2021-03-05 - Club Management

Members with **District Administrator**, **Membership Editor** and **Club Information Editor** access levels have the ability to add or change club executives and directors.

1. Go to the District webpage and click on the **Login** link at the top right of the page. Then, enter your login details on the page that appears.
2. You are now logged in. To access the District Administration page, click on **Member Area** on the top right.
3. Now, click on the **Organization** tab.
4. Next, select the **Define Club Executives** link.
5. This will display a list of Clubs. Click **Define Current Year Executive** on the same row as the Club you would like to change. You could click **Define Next Year Executive** if you need to change next years.

Edit

You can click on **Edit** to change the executive position details. Here, you can change the **Position**, **Title**, and **Name** of the officer.

- **Position** is the position the executive holds *as defined by the District*. Selecting this determines the District access level the member is given.
- **Title** refer to the title of the executive, which you can modify as needed for your club. This field is mandatory.
- **Name** is the name of the officer.

Click **Save** to keep your changes, or **Cancel** to discard them.

Clear

1. You can click **Clear** if you want to remove the member from the position, *without deleting the position itself*.
