

## How do I carry district executives over to next year?

Michael C. - 2021-04-16 - District Organization

Your District Executive list only applies to the given calendar year in which it was created. However, you can easily carry your current list of executives over to a future year. You can do this for Clubs in your District through your District website.

**Note:** When you carry over the District executive list/District Organization Chart it will also carry over District Yearly Committees too.

**Note:** If the future year's org chart is NOT empty - you won't be able to carry over. Make sure the org chart you are moving into is empty.

1. To manage your executives, you must go to your District homepage and log in. Click **Member Login** at the top right, just above your club banner.
2. Then, click on **Member Area** on the top right, under your club banner.
3. Along the top of the screen you will see several tabs. Click on the **Organization** tab.
4. The **Organization** tab contains several features which allow you to organize your club membership. Now, click on **Executives and Directors** under the **Organization** tab.
5. You are now on the **District Organization Chart** page. Here, you can identify club directors and executives, remove past directors and executives, edit their contact details, and more.
