With attendance in ClubRunner you now have the ability to edit how Honorary Members should be recorded in the overall count of a meeting.

Note

Any changes made to these rules apply only to **Open Meetings**.

1. To customize the honorary member attendance rules, you must first log in to your club website. To do this please click the **Member Login** link near the top right after visiting the club's homepage.
2. After logging in, you will be brought to the Member Area. Click on the **Attendance** tab in the navigation menu.
3. Next, click on the **Dashboard** link.
4. On the left side of the screen, click on the **Settings** link.

1. You are now on the Attendance Rules and Settings screen. Scroll down and locate **Honorary** under the **Membership Types** header. To change these rules, click the **Edit** link.

 - **Always Count:** This Membership type will always show and be counted for attendance.
 - **Count if Attended:** This member will show on the attended list and will not go against membership totals if a meeting is missed.
 - **Never Count:** These members are not part of attendance or counted for attendance.

1. Click **Save** to keep your new rule. Click **Cancel** to discard it.

1. Your new rule is now in place and will appear on the **Attendance Rules and Settings** page. To restore the rules setting to the default, click on the **Restore Defaults** link under the **Action** column.
