How do I edit or change an inactive membership type?

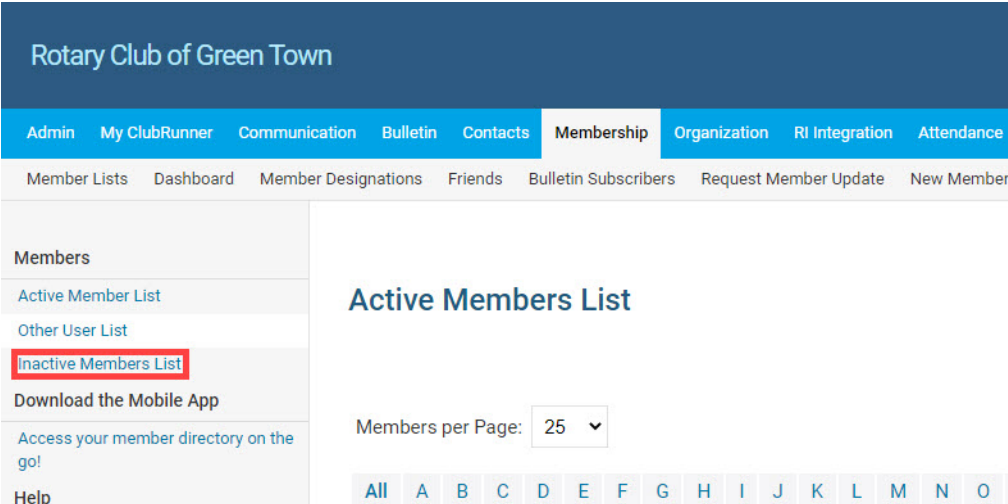

Michael C. - 2022-12-23 - Membership Management

For our club's maintaining inactive member records, or matching records in another system, Inactive Members can be assigned a different inactive membership type. To change an inactive member's membership type, please use the following steps.

Note

For Rotary International clubs this guide can be helpful to resolve Inactive Member Type Mismatches. Such as marking a profile as an 'Duplicate'. For example, a member may have had a duplicate record in ClubRunner, but this record was originally terminated for reasons other than being a duplicate (Disinterest for example).

1. Along the top of the screen you will see several tabs. Click on the **Membership** tab.
2. Click on **Member Lists**.
3. In the grey menu on the left, click **Inactive Members List**.

The screenshot displays the ClubRunner interface for the Rotary Club of Green Town. The top navigation bar includes tabs for Admin, My ClubRunner, Communication, Bulletin, Contacts, Membership (selected), Organization, RI Integration, and Attendance. Below this, a secondary navigation bar lists Member Lists, Dashboard, Member Designations, Friends, Bulletin Subscribers, Request Member Update, and New Member. The left sidebar menu is expanded, showing options like Active Member List, Other User List, Inactive Members List (highlighted with a red box), Download the Mobile App, and Help. The main content area is titled 'Active Members List' and features a 'Members per Page' dropdown menu set to 25. At the bottom, there is a navigation bar with buttons for All, A, B, C, D, E, F, G, H, I, J, K, L, M, N, and O.

4. Click the **Change Status** link to the right of the inactive member's name
