How do I manage District Documents?

Omar S. - 2024-11-29 - District Organization

When you need to upload a PDF, text, Word or other files to your site so your members or guests can access it, you can put it into your District **Documents**. Below are the steps on how to edit District **Documents** in ClubRunner.

REQUIREMENTS:

- You will need the Access Rights of Administrator or Website Content Editor to Add/Edit/Delete district documents.
- Members with other access rights, such as Membership Editor, or Club Information Editor will have read only access to the district document files.
- All documents to upload must be 30 MB or smaller
- The file types you are allowed to upload are: bmp, doc, docx, eps, gif, html, htm, jpeg, jpg, pdf, png, ppt, pptx, pub, swf, tif, txt, vsd, xls, xlsx, rtf, and zip

Adding Multiple Documents

If you wish, you may upload several documents at once. From the **Private Documents** screen click on **Add Multiple**.

Private Documents

2. You are taken to the upload interface. First, identify the folder to which you wish to upload your documents using the **Document Folder** drop down menu.

Upload Documents to Root

 Next, select the Access Level for the documents by clicking on Public or Requires Login. If you select Public, non-members can potentially access the document. If you select Requires Login, only logged in members may view it.

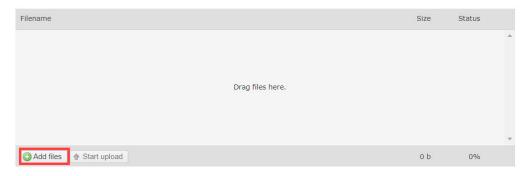

Upload Documents to Root

- 4. Now, you may add multiple documents to the upload queue. There are two possible methods for this.
- 5. You may directly drag and drop files from a folder on your computer into the upload field. To select multiple files, hold down the **Ctrl key** and click on each one. To select a group of files, click on the first file, then hold down the **Shift key** and click on the last file.

6. Alternately, you may click on the **Add File** button. You will need to add the files one at a time with this method.

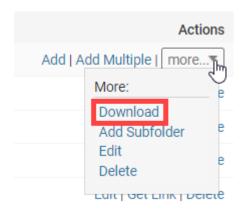

7. When you have selected all the necessary files, click **Start Upload.**If the upload is successful, a confirmation message will appear and you are returned to the **Private Documents** page.

Downloading Files

You have the option to download files by folder or all at once. To download the
contents of a given folder, click on the More drop down menu under the Actions
header. Then select **Download.** Your files will automatically start downloading in the
form of an archived ZIP file.

2. To download all the District documents at once, click on the **Download All** button above the file and folder list. All your files will be archived in a single ZIP folder and downloaded to your computer.

Note: The save location of your downloaded files is dependent on your software and personal settings. For many users the default save location is their **Downloads**

folder, but this can vary.
