How do I manage District Documents?

Omar S. - 2024-11-29 - District Organization

When you need to upload a PDF, text, Word or other files to your site so your members or guests can access it, you can put it into your District **Documents**. Below are the steps on how to edit District **Documents** in ClubRunner.

REQUIREMENTS:

- You will need the Access Rights of **Administrator** or **Website Content Editor** to Add/Edit/Delete district documents.
- Members with other access rights, such as Membership Editor, or Club Information Editor will have read only access to the district document files.
- All documents to upload must be **30 MB or smaller**
- The file types you are allowed to upload are: *bmp, doc, docx, eps, gif, html, htm, jpeg, jpg, pdf, png, ppt, pptx, pub, swf, tif, txt, vsd, xls, xlsx, rtf, and zip*

Access the Documents List

1. Login to your ClubRunner website. Click on the **Member Login** link found in the top right corner of the homepage and enter your login information.

2. Now back on the homepage click on the **Member Area** link found in the top right corner.

3. Along the top of the screen you will see a number of tabs. Click on the **Documents** tab.

4. Now, click on the **Documents** link. This brings you to your **Private Documents** page.

Adding a New Document Folder

1. To add a new document folder, click on the **Add Folder** button found in the top right corner.

Private Documents

Documents and folders are sequenced alphabetically. Drag and drop documents and folders to move them from one folder to another or to change the parent folder.

2. Next enter a **Name** for the new folder. You may optionally also enter a description of the folder.

   Note: the Permalink field will automatically populate based on the Folder Name.

3. Click on the **Subfolder Of** field if you want to place the new folder specifically within another folder.

4. Next click on the **Save** button to create the new folder.

Adding Multiple Documents

1. If you wish, you may upload several documents at once. From the **Private Documents** screen click on **Add Multiple**.

Private Documents

2. You are taken to the upload interface. First, identify the folder to which you wish to upload your documents using the **Document Folder** drop down menu.

3. Next, select the **Access Level** for the documents by clicking on **Public** or **Requires Login**. If you select **Public**, non-members can potentially access the document. If you select R**equires Login**, only logged in members may view it.

4. Now, you may add multiple documents to the upload queue. There are two possible methods for this.

5. You may directly drag and drop files from a folder on your computer into the upload field. To select multiple files, hold down the **Ctrl key** and click on each one. To select a group of files, click on the first file, then hold down the **Shift key** and click on the last file.

6. Alternately, you may click on the **Add File** button. You will need to add the files one at a time with this method.
