How do I recover my login information?

Omar S. - 2021-11-26 - My ClubRunner

If you cannot login to ClubRunner or you forgot your password this guide will help you.

1. To start, go to the Club or District website you want to login to. At the top right of the screen, Click on **Member Login**.
2. Click the **Forgot login name?** or **Forgot password?** link.

The screenshot shows the ClubRunner login interface. At the top, the ClubRunner logo is displayed in white on a blue background. Below the logo, there are links for "English" and "Home". The main content area is white and contains the text "Enter your login information below:". There are two input fields: "Username" and "Password". Next to the "Username" field is a red-bordered link labeled "Forgot username?". Next to the "Password" field is a red-bordered link labeled "Forgot password?". Below the input fields, there is a checkbox labeled "Keep me logged in" and a link labeled "New user?". At the bottom of the form is a blue "Login" button. At the very bottom of the page, there is a copyright notice: "© 2002-2021 ClubRunner. All rights reserved." and links for "Privacy Statement", "Online Help", and "System Requirements".

- 3a. If you are trying to login to your Club, it will ask you to enter your **Last Name** and **Email Address**. Click **Submit** when done.

Reset Password for John Doe

Please remember your username as you will need it to enter the site. You can always change this by editing your profile.

Username:

Enter New Password:

Confirm New Password:

7. Enter and confirm your new password and click the Submit button.

Note: the bar is to help you get an idea of how secure your password is. Using a combination of letters and numbers, six characters long or more is recommended.

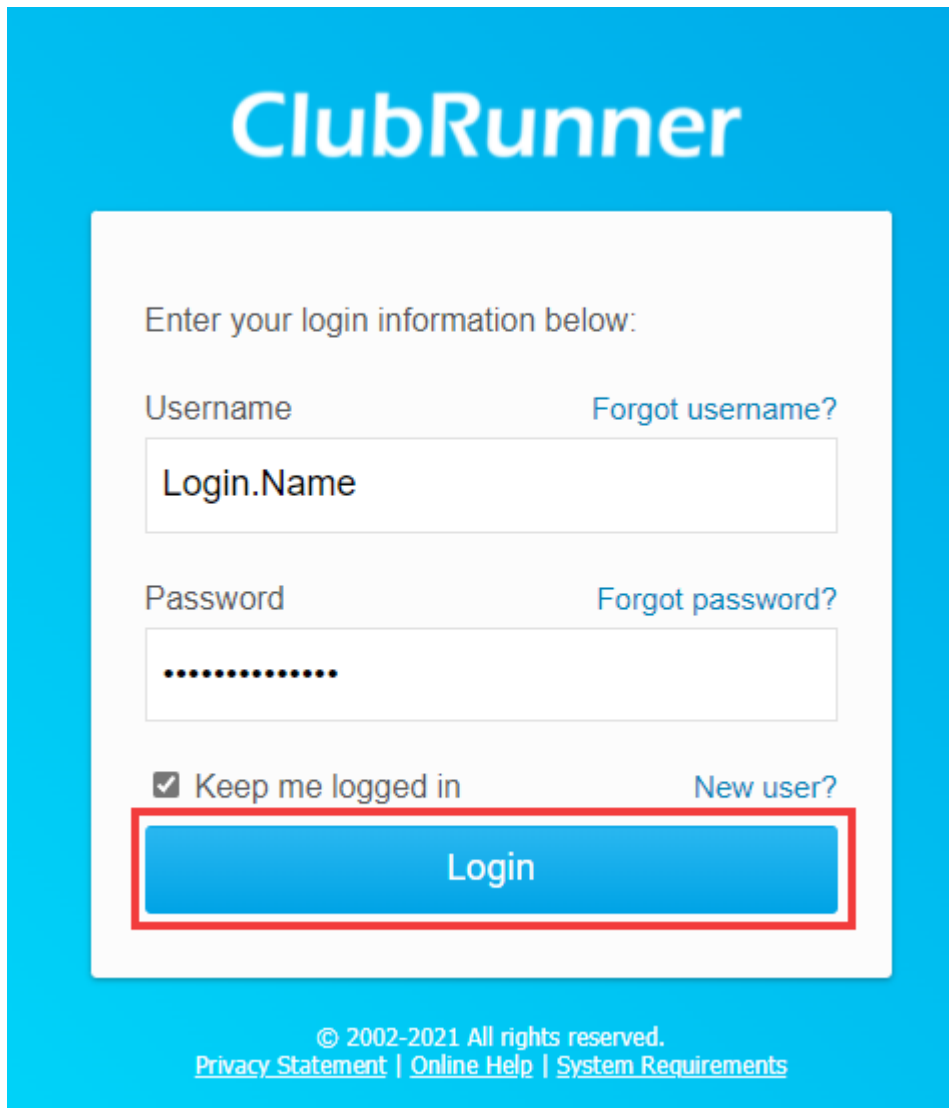

Note: if you are using a password manager application such as Dashlane, LastPass, etc., sometimes our system cannot accept the application generated password. This could be due to how the application injects the password into our page. In such a case please **copy/paste the password** your application generates instead of allowing your program to automatically fill it in. If you continue to have issues generating a password please [contact our team](#).

8. If your password reset is successful, you will receive a confirmation message. Click the **Return** to go back to the login page.

9. Enter you **Login Name** (the name provided in Step 6) and your new **Password**. Once done, click **Login**.
