

## How do I register a guest for an event?

Mickey D. - 2021-12-10 - Events & Volunteers

Keeping track of non-member guests can be time consuming and difficult. With **Events 2.0**, you can register your guests as well as yourself.

1. To access the **Events 2.0** feature, you must go to your club homepage and log in. Then, click on **Member Area** on the top right, under your club banner.
2. Along the top of the screen you will see several tabs. Click on the **Events** tab on the far right of the top toolbar.
3. At the left side of the screen, options will appear. Click on **Event Planner**.
4. You are now on the **Events** page. Select the event for which you wish to register and click on the name.
