Omar S. - 2022-10-21 - Membership Success

The Membership Success module includes an application that all prospective members can fill out through your club website. This article will go through the steps of how to access and link the Membership Inquiry form.

1. To begin login to your club's **Member Area**.
2. In the Member Area click **Membership Success** in the top blue bar.
3. In the grey bar below click **Overview**.
4. Down the left side click **Membership Inquiry**. This typically opens the inquiry form in a new browser tab.

5. With the Membership Inquiry form page open, right-click over the **Website Address** and click the **Copy** option.

6. With the Membership Inquiry Form page link saved to your clipboard, open the **Send Email** page for a new email.

**Note:** For an overview on creating and sending emails in ClubRunner, please see [How do I send an email](#) from our Knowledgebase.

7. In the email's **Content** area, **paste** the link or enter text for the reader to click and open the form.
8. Highlight the text the reader should click to open the application form, then click the **Link** editor tool.
