How do I use the bulletin banner designer?

Michael C. - 2023-11-24 - Bulletins

To design a new banner for your club bulletin, you'll need to access the **Bulletin Editor**.

1. Login to your member page.
2. Click on the **Bulletin** tab and then click on the **Manage Bulletins** link.
3. Next, click on **Settings** link under the Quick Links header.
4. Along the left-hand side of the page in the side menu, click on the **Banners** link

Adding A New Banner To the Library

1. Click on the **Add New Banner** button found in the top right corner.

2. You are now on the **Add New Banner** screen. Here, you can enter all the relevant details about your new banner, and design it.

3. **Banner Title** is the internal name you will give the banner you are currently working on. This is simply a label and it will not be visible on the banner itself. This is a required field.

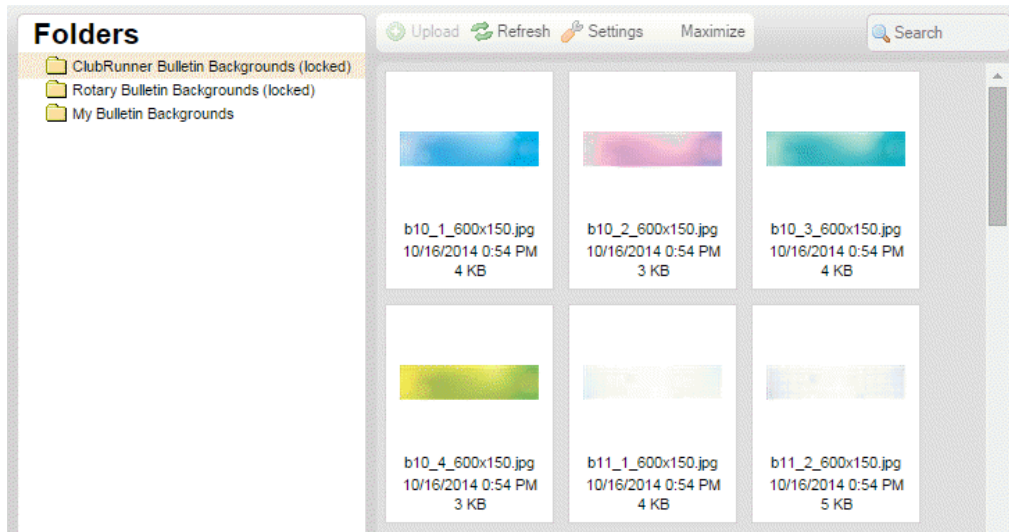

4. **Banner Height (pixels)**: is the height of your banner in pixels. Recommended height is anywhere between 100 and 300 pixels. The **Padding (pixels)** field clears the space between the border and the content.

5. The next steps are to upload the Background Banner and/or upload the Left and Right Logos. To get started, click the **Change** button in the Background Image field.

6. You are now in the **Bulletin Backgrounds Library**. Here, you may select a banner background image from a preloaded image, or you may upload one of your own. Any images you upload will be stored in the **My Backgrounds** folder for future use.
 - **ClubRunner Bulletin Backgrounds**: This folder contains images created for the ClubRunner software.
 - **Rotary Bulletin Backgrounds**: This folder contains backgrounds specific to the Rotary Club.
 - **My Bulletin Backgrounds**: This folder contains images you have uploaded.

7. Click on the **Change** button in the **Left Logo** and **Right Logo** fields to add a logo as needed. As above, you have the ability to select from a list of preloaded ClubRunner and Rotary Club images or you can upload your own Images by clicking the **Upload** button at the top.

8. Next, you have the ability to add text to the banner. The **Banner Display Text** section is where you can enter the text that will appear on your banner. You can format this text using the icons in the editor, including increasing the font size and color.

9. To see the text from the editor in the banner click on the **Refresh** button highlighted below.

10. Finally, click **Save** to to save the banner to your library.

Editing an existing banner

1. To edit an existing banner, either click on the banner image, or click **Edit** to the top right of the image.

Deleting a Banner in the Banner Library
