## What is the RI Updates Archive?

Omar S. - 2023-06-30 - Club Integration

With the **RI Updates Log**, it's easy to track any and all changes made to members from the automatic Rotary Integration 2-Way True Sync feature. To learn how to review and filter for member profile updates in ClubRunner from the Rotary 2-Way True Sync integration feature, please follow the directions below.

1. To access this function, first login to your Member Area, click the **RI Integration** tab at the top, then click **RI Updates Log**.
2. This will take you to the **Rotary True Sync Updates Log** page. In the **Member** field, you may select an individual member in your club or display the changes for all members.

### Note

When you first access the RI Updates Log, all member updates from the 2-Way True Sync made within the **past 90 days** will be displayed by default until a date range is specified.
