## How to cancel an order or ticket

Michael C. - 2024-07-30 - Events & Calendar

You can cancel orders and tickets for an event, if the buyer or attendee are no longer able to attend.

Cancel an order or ticket with the steps below.

1. To access **Cloud Events**, you must go to your website's homepage and log in. [For more information on how to login, click here.](#)
2. After logging in and navigation to the **Member Area**, you will see several tabs along the top of the screen. Click on the **Events** tab, and then click on **Cloud Events**.
3. On the Event List page, click the **Manage** button on the event which you want to cancel the order or ticket for.

### Cancel Order

By canceling an order, all of the products and tickets included in the order will be canceled too.

1. On the event details page, click the **Orders** tab.

2. Click the **down arrow** on the right for the order you would like to cancel.

#### Note

In Step 3, you can instead click **Cancel Product** to cancel an orders' products while keeping the order and tickets. When canceling a product, select the products to cancel from the **Select Products to Cancel** popup, and the **Return Amount** will update to be the same value of the canceled products. You can further edit the **Return Amount** to be another amount.

#### Cancel Ticket

1. In the event, click the **Attendees** tab at the top of the page.
