ClubRunner

VIDEO: Beginner-Club Executive Training on District-Changeover 2024

Mickey D. - 2024-05-16 - Changeover Training 2024

Club Executive Training on the District-Beginner

Hosted by Mickey | Co-host: Michael

This webinar gives an overview of how to manage your own club members on the District version. Aimed for club executives who don't have a ClubRunner club version subscription and are using the district version. Topics include:

- How to gain access to use the district version

- How to add, terminate and manage transferring members

- Editing club information

- Adding, editing or removing club executives

- Brief introduction to RI integration (more in-depth coverage will be in the Advanced version of this webinar)

Length: 56 minutes
