VIDEO: Website Content-Changeover 2024

Michael C. - 2024-11-23 - Changeover Training 2024

This webinar will cover how to modify your website content. Note that designing your homepage will be covered in the Website Designer Overview session. Topics include:

- Overview of stories, photo albums, speakers and sponsors

- Creating and updating custom and site pages

- Managing documents and download files

- Embedding video from sources such as YouTube
