What is the member activity report?

Michael C. - 2021-02-25 - Reports

The **Member Activity** report displays a member's activity in the Club. It displays the member's information, participation points, attendance, volunteering, events, and more. A member earns participation points based on how active they are in the Club. If the member is a club officer, belongs to a committee, has good attendance, attends events, volunteers, and more these all earn points. This report displays all of these and totals them up. To learn more about this report please follow the steps below:

1. Please login to ClubRunner by going to the Club's website and click on the link near the top right called **Member Login**.

2. After you login, please click **Member Area** near the top right.

3. On the grey menu bar, near the top click **Reports**.

4. On the blue menu bar click **Member Activity**.

5. This takes you to the **Member Activity** report. By default it displays your member activity for the current year. You can change this by the options:

- **Member** - This lets you choose other members.
- **Since Joining** - This pulls all of the data since the member joined.
- **By Year** - You can select which year you would like to see.

- **Date Range** - You can put a custom date range in to find pin point information.
- **Print** - This lets you print the report.
- **Refresh** - This refreshes the page to display the options you selected.
