## Where can I send an email in ClubRunner?

Michael C. - 2023-08-10 - Communication

ClubRunner has a built-in email feature that allows you to email fellow members and non members. Their email addresses are stored in ClubRunner so you do not have to know them.

You can access the **Email Message Center** from your club's home page. Here, you can compose emails and view the emails you have sent.

**Note** : The **Email Message Center** does not act as an inbox. To view messages you have received, you must access your personal email.

1. To access **Email Services**, you must go to your club homepage and log in. To do this please click the **Member Login** link near the top right.

2. After you enter your login name and password it will return you back to the Club's homepage. Click **Member Area** near the top right.

3. Along the top of the screen you will see several tabs. Click on the **My ClubRunner** tab.

4. Now, click on the Email Message Center.
