Where else can members register for an event?

Mickey D. - 2021-12-10 - Events & Volunteers

As a club member, you have several options available to register yourself for an event. First, you can register through the Events 2.0 feature on your club homepage. For more information on that, refer to [this article](#). Your link will open in a new window.

However, there are additional options for accessing your registration.

Register on the webpage

1. If your club has installed the **events widget** on the homepage, you will see a listing of upcoming events on your club webpage. The location of the events widget varies according to the desires of your club. In the example below, you can see the events widget in the middle of the page, under the heading of **Upcoming Events**.

The screenshot shows the homepage of the Rotary Club of Green Town. At the top left is the Rotary Green Town logo. To its right are navigation links: Home, About our Club, Calendar, Donate (highlighted in blue), and Contact Us. Below the navigation is a large photograph of a group of people, including a man in a Rotary uniform, looking at a document. Below the photo is the Rotary Club of Green Town logo. On the left side, there is a section titled 'A Message from the President' by Sue Baker, with a small profile picture of her. On the right side, there is a 'NATIONAL AWARDS' banner and a red-bordered box titled 'Upcoming Events' containing the following information:

Upcoming Events
Club Meeting
Dec 21, 2017
7:00 PM - 7:35 PM
Salvation Army Kettle Ringing
Dec 25, 2017

2. To register for the event, click on the event name as displayed in the widget. This works whether or not you are logged in to the home site.

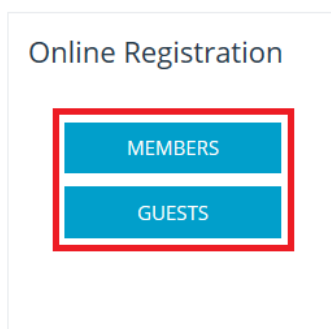

The widget is titled "Upcoming Events" and lists three events. The first event is "Club Meeting" on Dec 21, 2017, from 7:00 PM to 7:35 PM. The second event, "Salvation Army Kettle Ringing", is highlighted with a red rectangular border. It is scheduled for Dec 25, 2017. The third event is another "Club Meeting" on Dec 28, 2017, from 7:00 PM to 7:35 PM. At the bottom of the widget is a "View More..." link.

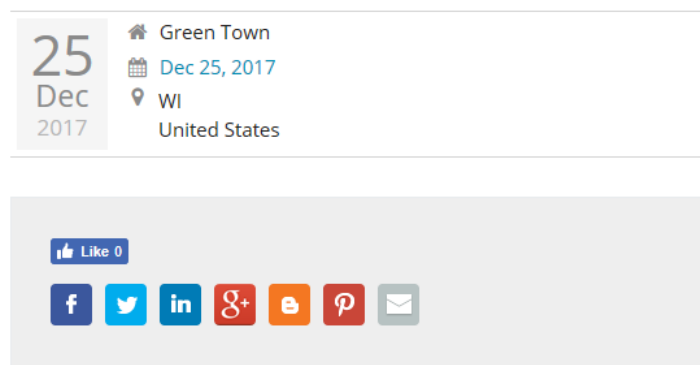

3. You are now on the event information page, containing details about the time and place of the event. On the left hand side of the page, you will see a section with the heading **Online Registration**. Under this heading is a button labelled **Members**. If non-member guests are permitted to register, there will also be a **Guests** button.

The "Online Registration" section contains two blue buttons: "MEMBERS" and "GUESTS". Both buttons are enclosed in a red rectangular border.

This section displays event details and social sharing options. On the left, a date widget shows "25 Dec 2017". To the right, the location is "Green Town, WI United States" and the date is "Dec 25, 2017". Below this is a "Like 0" button and a row of social media icons for Facebook, Twitter, LinkedIn, Google+, Email, and Pinterest.

4. If you are logged in, clicking on **Members** will take you to the event registration screen. If you are not logged in, you will be prompted to do so, then taken to the event registration screen.

5. You are now on the event page, where you can register, decline, invite guests and pay for registration. Under the heading Register Me, you will see two buttons. Click **Register Me** if you wish to attend the event, and **Decline** if you do not.
