## Widget: Site Pages

Zach W. - 2021-03-16 - Website Widgets

The screenshot shows a website widget with three main sections:

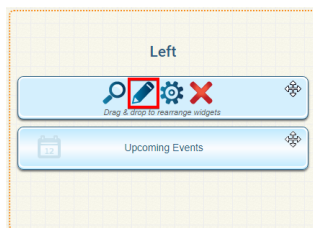

- Site Pages:** A red-bordered box containing links for "Our Committees" and "About Our Club".
- Upcoming Events:** A section titled "Website Webinar" for Jan 08, 2021, from 5:00 PM to 6:00 PM.
- Club Calendar:** A calendar for January 2021. The 7th is highlighted in grey.

Below the calendar, contact information for a Rotary club is displayed:

- Rotary** (with logo)
- Propelling People Forward**
- Sundays at 12:00 PM
- ClubRunner
- 2060 Winston Park Dr
- Suite 102
- Oakville, ON L6H 5R7
- Canada
- Phone: (123) 456-7890 ext. 000
- Email: purple.metro@example.com

A note at the bottom states: "Our club holds meetings on the first three Sundays every month at noon. We"

You can use **Site Pages Widget Edit Content** to define the content that will be displayed within the widget. Here you can select which **Site Pages** to display as well as define the order to display them.

The **Add Site Page from Library** button will take you to a list of your created Site Pages where you can select which ones to display in the widget. Below are the steps to add the Site Pages:

1. Click **Add Site Page from Library**.

### Site Pages for Home Page

The screenshot shows the configuration screen for Site Pages. It includes a filter for "Home Page Widget" and buttons for "Preview", "Add Site Page from Library" (highlighted with a red box), and "Create New Site Page". Below is a table of Site Pages:

Name	Permalink	Requires Login	Actions
<input type="checkbox"/> Our Committees	our-committees		-
<input type="checkbox"/> About Our Club	about-our-club		-

At the bottom, there are buttons for "Check All" and "Remove Selected".

2. You should now see a list of all your created Site Pages. Simply select the checkbox on the left of the SitePage title to include the Site to be displayed in the widget.

## Add Pages to Home Page

Filter records:

Add Selected Site Pages

Select from the list of pages below then click on "Add Selected Site Pages"

Title	Permalink
<input checked="" type="checkbox"/> Our Committees	our-committees
<input type="checkbox"/> About Our Club	about-our-club

3. Once all the Site Pages have been selected scroll to the top and click **Add Selected Site Pages**.

## Add Pages to Home Page

Filter records:

Add Selected Site Pages

Select from the list of pages below then click on "Add Selected Site Pages"

Title	Permalink
<input checked="" type="checkbox"/> Our Committees	our-committees
<input type="checkbox"/> About Our Club	about-our-club

4. The selected Site Pages should now be in the list of Site Pages for the Home Page.

Site Pages successfully added to home page widget.

## Site Pages for Home Page

View site pages in: Entire Library Home Page Widget Bulletins

Drag and drop your pages to change their sequence. [Preview](#) [Add Site Page from Library](#) [Create New Site Page](#)

Name	Permalink	Requires Login	Actions
<input type="checkbox"/> Our Committees	our-committees		<a href="#">Remove Selected</a>

## How to Remove a Site Page from the Widget

If you need to remove Site Page(s) from the Site Page widget follow the steps below:

1. Select the checkbox on the left of the Site Page title for all the Site Pages that you would like to remove from the widget.

## Site Pages for Home Page

View site pages in: [Entire Library](#) [Home Page Widget](#) [Bulletins](#)

Drag and drop your pages to change their sequence.

[Preview](#) [Add Site Page from Library](#) [Create New Site Page](#)

Name	Permalink	Requires Login	Actions
<input checked="" type="checkbox"/> Our Committees	our-committees		

[Uncheck All](#) [Remove Selected](#)

2. Scroll to the bottom of the page and click **Remove Selected**.

## Site Pages for Home Page

View site pages in: [Entire Library](#) [Home Page Widget](#) [Bulletins](#)

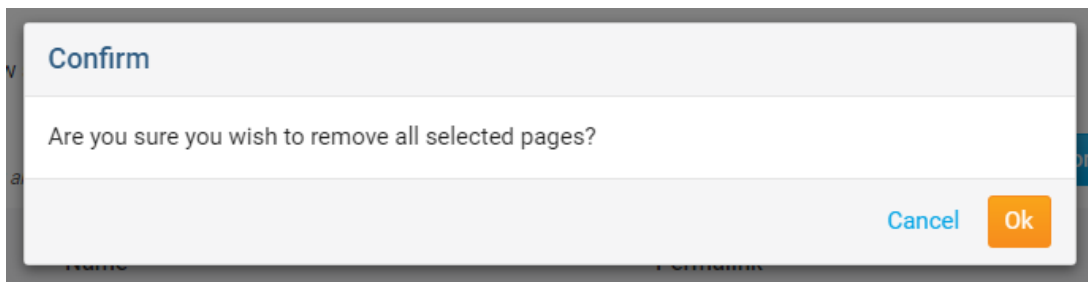

Drag and drop your pages to change their sequence.

[Preview](#) [Add Site Page from Library](#) [Create New Site Page](#)

Name	Permalink	Requires Login	Actions
<input checked="" type="checkbox"/> Our Committees	our-committees		

[Uncheck All](#) [Remove Selected](#)

3. You will see a message box popup verifying that you want to remove all selected pages. Click **OK** to remove the pages.

## Actions Column Overview

Each site page that is listed to appear on the widget has a list of options found under the Actions column:

1. **View:** Click on this to view the site page.
2. **Edit:** Click on this to edit the content of the site page.
3. **Properties:** This will take you to the Site Page's Settings where you can rename the site page, define the access level, and define the owner.
4. **Remove:** This will remove the Site Page from the Site Pages widget, though not from the Site Pages Library.

- Remove

## Preview Overview

1. Click **Preview** to see what the Site Page's Widget would look like with the current Site Pages selected and the widget properties applied.

### Site Pages for Home Page

View site pages in: Entire Library Home Page Widget Bulletins

Drag and drop your pages to change their sequence.

[Preview](#) [Add Site Page from Library](#) [Create New Site Page](#)

Name	Permalink	Requires Login	Actions
<input type="checkbox"/> About Our Club	about-our-club		<a href="#">▼</a>
<input type="checkbox"/> Committee Pages	committee-pages		<a href="#">▼</a>

2. Select a **column view** to see how this widget would be displayed in different column sizes.

The screenshot shows a window titled "Site Pages (Live)" with a close button. Inside, there is a section "Site Pages (Essentials)" with a description: "Displays a list of all the site pages you have created and marked to appear on the home page." Below this, it says "Select a column view to see how this widget would be displayed in different column sizes." Three icons representing different column views (one, two, and three columns) are shown, with the two-column view icon highlighted by a red box. Below the icons, the text "Site Pages" is displayed, followed by a link "Our Committees".
