## Modern Dashboards available for all Customers.

2021-12-03 - Zach W. - Product Updates

We're pleased to announce the release of our modernized ClubRunner Dashboards for Zones, Districts, and all clubs subscribers.

A fresh new approach to your administrative landing page based on your access role, navigating the Admin pages has become easier. You will now be able to view the features relevant to your permissions. With each section divided into a core function, each panel has 'quick action buttons' to take you directly into getting started with a feature. Need to send an email or create a Volunteer sign up list, you can just click and start!

Your members also will no longer see a list of greyed out links as before. Instead, now they will have quick links to all the pages available to them when logged in.

We've also highlighted all the support resources available to you such as on-demand tutorials, webinars, our knowledgebase and community and have added direct help links next to all the main modules to direct you to relevant help articles. As we release new features and have exciting announcements, you'll get the news right upon logging in under the What's New panel.

### District Administration

The screenshot shows the ClubRunner Administrator dashboard for a District Administrator named Kevin Turner. The dashboard is divided into several sections:

- Welcome back, Kevin!**: A blue header bar with the Rotary logo and a message: "This is your newly redesigned Administrator dashboard."
- My Membership**: A panel for Kevin Turner with an "Edit Profile" button and links to "My Commitments", "My Email History", "My Committees", "View Directories", and "Search Member Directory".
- Need Help?**: A panel with links to "Register for a Webinar", "Access Knowledgebase", "Join the Community", and "Contact Support".
- Register for a Webinar**: A promotional card with an illustration of a person and a play button, with the text: "Get a guided tour of how each module works, so you can get the most out of your role."
- What's New**: A panel titled "Training Recordings Now Available" with a play button icon and the text: "Thank you for making the ClubRunner Changeover Training Series a success! Re-watch the recordings of each session on our Community site." and a "View Recorded Webinar!" button.
- DISTRICT, CLUB, & MEMBERSHIP MANAGEMENT**: A section header for the main management area.
- District Management**: A panel with a tree icon and the text: "Manage key information and functions of your district." with a "District Organization Chart" button and a "Help" link. Below are links for "District Organization Chart", "District Committees", "Member Access Rights", "Define Club Position Types", "Manage Club Types", and "Manage Designations".
- Club & Membership Management**: A panel with a person icon and the text: "Manage clubs and their membership within the district." with a "Clubs & Membership" button and a "Help" link. Below are links for "Clubs & Membership", "Define Club Executives", "Club Attendance", "Admin Member Search", and "Member Designations".
